NOTES

Kidnappings Continue in Argentina

The Montoneros have claimed responsibility for the kidnapping of Franz Metz, the West German production manager of the Mercedes-Benz truck factory in Buenos Aires, where 4,000 workers have been on strike for the past three weeks. A communique from the Montoneros stated that Metz will be held hostage until Mercedes-Benz rehires 119 workers who were dismissed and recognizes the leaders of the strike as the workers' representatives. Metz has not been seen since he left work on Friday, 24 October.

Elsewhere in Argentina, Noel Salomon, a visiting literature professor from France, managed to flee when a group of armed men burst into his home in Mendoza, Argentina on 22 October. Salomon, who was unharmed, teaches at the University of Cuyo in Mendoza on a cultural exchange program. The identity of the terrorists is unknown.
